STOP! DON'T MAKE YOUR NEXT CAR PAYMENT!

Why?... Because you're driving one of the recalled vehicles listed below,
and Napleton's Nissan will buy your Toyota for Original MSRP!

**RAV4 COROLLA MATRIX AVALON CAMRY HIGHLANDER
TUNDRA SEQUOIA TACOMA PRIUS VENZA**

Why spend another day driving a potentially unsafe vehicle while you wait for a correction remedy. Get peace of mind and safety today! Napleton's Nissan is offering all affected Toyota owners 0% interest for 60 months with your Toyota trade. Even if you lease your Toyota, we can help! Nissan will make as many as 3 of your payments, and we will give you \$1,000 trade assistance!

Due to the unprecedented steps Toyota has taken in recalling over 3.5 million vehicles recently, and also stopping production completely on 8 models indefinitely, **Napleton's Nissan is offering a Buyout Program for these Toyota owners.**

Your vehicle has been identified as qualifying for the Buyout Program. **From February 16th until February 28th, 2010, Napleton's Nissan will buy your Toyota for the Original Base MSRP.**

Deductions will only be made for 2009 business mileage allowance per IRS rules and manufacturer incentives that were paid on the vehicle effectively lowering the MSRP.

THIS IS AN UNPRECEDENTED OFFER TO BUY YOUR VEHICLE, PLEASE DO NOT DELAY!

Stop by or call us at **888-244-1042** to schedule a convenient appointment and allow us the opportunity to buyout your vehicle, even if it is still financed.

You may also qualify for 0% financing as well as No Payments until June 2010, Zero Down and a **FREE Portable Navigation System with every new purchase!** This is a unique opportunity available to you because of the extreme actions taken by Toyota to stop the production line, and recall 3.5 million vehicles.

Sincerely,

Bret Macy
